Mr. George Rosenbaum,
c/o C. B. Richard & Co.,
29 Broadway,
New York.

My dear Mr. Rosenbaum,

I wish to thank you again for your loan to our Museum of the following pieces of paper money:

2 Francs of Belgium
5 Centimes of Algeria
2 Marks of Poland
And two Japanese pices.

I am also enclosing the cards I promised you for our exhibition.

I really am very anxious to get hold of one of the nickel 2 Anna pieces which you showed me the other day. As I told you then I am in my own collection specializing in the coins of the British East Indies and have a really very complete line which among the modern pieces only lacks this one. If by any chance the man for whom you are holding it, does not wish it or is willing to let me have it, I should appreciate
